Dear Mr. Tripp:

The Division of Oil, Gas and Mining (Division) has reviewed your variance requests received March 9, 2015.

The Division has determined that the variance requests are not required as the cited variances do not apply to your specific type of evaporation mining operation. Please incorporate the details noted in the correspondence into your Notice of Intention to Commence Large Mining Operations, under the appropriate section by rule R647.

Please contact Leslie Heppler at 801-538-5257 or me at 801-538-5261 if you have questions.

Sincerely,
